As a UX/UI designer with over years of experience, I have designed user-friendly and aesthetically pleasing interfaces for various digital products and services. I have a passion for human-product interaction, and I enjoy finding practical solutions to complex problems and bringing ideas to life. I can adjust my style to suit different needs and contexts. I am always eager to learn new skills and knowledge to advance my career and become a manager in the future.

Experience

TGL Solutions | UX/UI Designer | Fulltime   Nov 2021– Present
- Rebranded for the company, which includes brand identity, mascot, a website, social media templates,...
- Created logo and website for the company's head office in Japan and a branch in Da Nang.
- Worked on various projects, including an HRM system and other outsourcing projects.
- Contributed to bringing the Coteccons Academy online learning platform with a 100% customer satisfaction rate compared to two other competitors
- Conducted in-depth research, created, and delivered design solutions from scratch, including both mobile and web platforms.
- Worked in a cross-functional team to test and refine the design solutions based on users' and clients' feedback until they achieved the desired outcomes.
- Maintained 100% client satisfaction by ensuring that all projects meet quality and deadlines.

Tobi Streetwear | Graphic Designer |Part-time | Nov 2020 – Jan 2021
- Teamed up with the fashion designer and the creative director to create illustrations for clothing, accessories, and social media.

IMC+| Graphic Designer | Intern | July 2020 - Oct 2020
- Collaborated with the marketing team to create social posts for the fanpage of K-Group's App.
